Dear FOIA Officer,

While processing a Freedom of Information Act request from Pamela King of E&E News regarding the 2019 2024 National OCS Program we located 115 pages that contain DOI equities.

Enclosed is a copy of the request and the pages where we need your review. Note that BOEM sees no harm in release of this information in its entirety. Please review the enclosed records, mark any proposed redactions, state the exemption(s) you would claim for each proposed redaction, and return the records along with your proposed redactions and your foreseeable harm assessments to us by September 6, 2018. After carefully considering your proposals, we will issue a final release to the requester.

Please let me know if you have any questions.

Kindest Regards,

Natasha
